

Dolly Saragadam

Software Graduate

I am a self-motivated and Smart and Hardworking graduand seeking an opportunity to work in a challenging environment to prove my skills and utilize my Programming, Problem solving ability for the growth of the Organization. Since my journey as a computer Science student till date I have made significant achievements as a Software-Developer and would be happy to use my skills to benefit your company. I'm pursuing my Bachelor's degree in Computer Science and Technology.
